**Today's April 1966 Cover:** Specialist 4 John Harris is your host on the local informational television show, "What's New At Kagnew." This show brings both news of Kagnew and the City of Asmara to the viewer. In recent months, What's New At Kagnew has shown local film footage shot by SFC Robert Sanders, AFRTS Asmara's Production Supervisor, of the State Visit of King Olav of Norway to Ethiopia and the visit of His Imperial Majesty Haile Selassie I to Kagnew Station.
