**2018 All-Kagnew Station Reunion  
Tucson, Arizona  
October 19-21, 2018  
Update #2**

Greetings to All Kagnew Vets, Families and Dependents,

We are very pleased to see reservations being made for the reunion and for hotel rooms at the Desert Diamond Hotel in Tucson. Things are shaping up to be an enjoyable, relaxing and informative time for all. We still have plenty of rooms available with our first block of reserved rooms – but don't be the first to learn all available rooms or tour spaces have been taken...

**AIRFARE UPDATE:**

Multiple attempts have been made with the major airlines (Alaska/American/Delta/Southwest/United) to secure a group discount rate for our reunion. The main problem has been most (except Alaska) require a minimum of 10 travelers on the same flight. As that is well beyond our ability to coordinate, we then looked at a suggested discount program offered by "Veterans Advantage". One quick read of their reviews pushed us so far away from even suggesting it, that idea was forgotten immediately.

However, we have been encouraged to recommend to those flying to Tucson to consider using discount travel plans offered by AARP and/or AAA (American Automobile Assn.) Both have annual membership requirements, but we're learning that most of us already belong to one or the other organization, or both!

As a multi-million-mile flyer when working, I can attest to the fact you should shop flights early and often. The peak season for winter visitors to Tucson doesn't begin until around Thanksgiving, so we should not be dealing with premium fares and few available seats.

If you know of another vendor or program we should suggest, please let us know...

That's the latest update – we're hopeful that many of you will join us in October.

Best regards,

Tom Daly
