2020 All-Kagnew Station Reunion

POSTPONED

Update #1

Greetings to All Kagnew Vets, Families and Dependents,

After considerable discussion with Dan Minchen, we have decided to **POSTPONE** the anticipated 2020 All-Kagnew Reunion, being planned for Colorado Springs, CO. The angst of dealing with the uncertainty and significant “unknowns” beyond what we do know, simply makes this decision easy and wise, but nevertheless disappointing. Without any specific plan concerning Dates/Places in mind, we are tentatively looking at perhaps the SPRING of 2021. As timing and details become available, you will certainly be kept informed.

PS: if you do change your email address, please be sure to send us a notification as to what your new email address will be.

Thank you in advance for your consideration and most of all, your continued support. Until then – stay safe and healthy – this too we shall overcome!
