2022 All-Kagnew Station Reunion

January 29, 2022

Hello again –

The wheels have started to move, and it appears as if a 2022 gathering of all Kagnew Station Veterans, Dependents and Contractors will be a reality.

Due to the closeness of the responses, we received, and acknowledging the initial survey form was not the easiest to work with, we're going for Round 2. Special thanks to Rick Fortney, who hosts the KagnewStation.com website, for creating a survey reply that will make your replies much easier.

When you hit the "SUBMIT" button your reply will be received by the KagnewStation.com site and here, for ASA.Kagnew@gmail.com, and be auto tallied. Our goal is to have a final determination of your preferences within the next 2-3 weeks and an announcement by the end of February.

Please consider taking a few moments to let us know your thoughts and suggestions. And as we previously asked, if you know a Kagnew veteran who may have moved or don't receive our Updates, please pass this email along to them.

Also, based on the initial response, we want to be sure we have enough coins produced for all those who want them. If you are interested in purchasing one, please make a note on the survey form where we asked for reunion suggestions.

Jerry Williams (Kagnev 1962-1964) who provided our 2019 Christmas ornament memento, has again gone beyond expectations producing the 2022 All-Kagnev Reunion Memento. Each Kagnev Vet & Kagnev Kids attending the 2022 Reunion a beautiful custom **Kagnev Station Challenge Coin** as the memento.

For those who would like to purchase a coin, but will not be able to attend in person, we plan to offer the Challenge Coin. As of now, we expect the coins to be available for sale for \$20.00 each plus \$2.00 for postage (**Total \$22.00 each**). Please note, production of the Challenge Coin is limited, and once they are gone, so too will be the opportunity to own one.

Watch for further details when they are available.
