## **2022 All-Kagnew Station Reunion UPDATE #12**

**Good news, sort of.....**

First the good news: we have completely sold out our stock of the 2022 Kagnew Commemorative Challenge Coin.

However.... We will approach the vendor on AUGUST 15<sup>th</sup> with a request to fill a supplemental order. There is no guarantee we will be able to obtain any additional coins, especially for a small quantity, but we will try.

For any new orders we receive, we will not deposit your check. Should we not be able to obtain additional coins, we'll return your check.

Concerning the reunion activities –

After considering several options we have opted to have one of our own (Bob Silva, Tract C, 5/65 – 1/67) host a presentation representing a compilation of *“My best memories of my time at Kagnev Station”*.

To that end, we are soliciting contributions from any Kagnev veteran or dependent. Please consider your one best memory (please keep it ‘clean’ and unclassified) and send us a 1-2 paragraph summary. You need not be a polished writer... we can edit anything that’s needed.

Start off with: *My best memory was when.....* and just tell your story.

We will also be showing a collection of photos from ‘way back when’, that will be sure to jog more than a few memories. We have more than enough photos of the front gate, but we could really use photos of people and/or places. If you have a few you’d like to share, please let us know and we’ll figure out how to add them to the photo file.

Finally, for those attending and signed up for the Thursday Nashville Tours. We will be contacting you to determine who will be visiting the Country Music Hall of Fame or the Johnny Cash Museum so we can reserve and obtain the necessary admission tickets.

‘til then, *only 67 days and counting....*

Best regards,
